

***Donate to VALLEYLIFE and a Member will get a robotic kitten or puppy***

**F**or the mother that has everything or for the mother that doesn't need any more clutter 😊, consider honoring her by donating a robotic kitten or puppy in her name.

This lifelike pet either purrs or barks, stretches, and rolls over for tummy rubs just like a real cat or dog.

These "pets" offer VALLEYLIFE Members companionship and comfort of a real-life animal friend. For those Members who are angry or upset, and need some time out, their special kitty or puppy helps keep them calm.

Your donation of \$100 will put one of our Members on the waitlist for the pet they have been wanting.

Once we receive your donation, we'll email an acknowledgment to your mother. Once we have purchased the "pet" and given it to a Member, we will send your mother a picture of the Member with his or her pet.

To make a donation, call 602-371-0806 and tell Lorena you'd like to purchase a cat or dog in honor of your mother for Mother's Day.

For more information, contact Margaret Stephens-Reed at 602-284-7208.
